how the classic aesthetic of 1960s pulp comics influenced art culture and politics as a form of visual art comic books rely on a distinct and eye catching aesthetic this is especially true of the iconic comics graphic novels and illustrations of the 1960s and 1970s the look of the 1960s explores the sources of inspiration that influenced the world of comics beginning with the well known french comics series barbarella noted comics scholars jan baetens and hugo frey analyze the impacts of the often provocative images featured in the comics of the 1960s which pushed back against french censorship in a politically tense time and detail how women resisted their objectification in the comic book industry barbarella left its mark on the world and gained international attention inspiring a movie adaptation

and changing the look and content of other popular comics the pulp pop movement remains relevant today continuing to influence the art and political world with new information about artists and an astute analysis of sociopolitical influence the look of the 1960s offers deep insights making it a must read for comics fans all over the world

yé yé means yeah yeah and is best known as a style of 60s pop music heard in france and québec

french science fiction sf is as old as the french language cyrano de bergerac wrote about a trip to the moon that was published back in 1657 as did jules verne in 1865 this time using hard scientific facts the first movie showing a trip to the moon was made by georges méliès in 1902 in the comics format hergé had tintin walk on the moon in 1954 15 years before neil armstrong these are just a few of the many unique french contributions to sf that rightly deserve to be better known one of the purposes of this collection is to introduce french sf to an english speaking audience rediscovering french science fiction first revisits proto science fiction from authors like cyrano de bergerac and jules verne before delving into contemporary science fiction works from authors such as rené barjavel and jacques spitz a contribution from preeminent sf author Élisabeth vonarburg from québec helps to understand the constraints and advantages of writing sf in french a third section is devoted to french sf in movies and graphic novels media where french creators have been recognized worldwide this collection explores many aspects of french sf including the genre s deep roots in popular culture the influence of key authors on its historical development and the form and function of science and fantasy as well as the impact of films and graphic novels on the public perception of the genre s nature

the events of 1968 are often seen purely as a student revolution but impacted on every aspect of french society theatre film sexuality race the countryside the factories this volume explores the full diversity of this extraordinary upheaval and shows how 1968 continues to reverberate in france today

connoisseurs of fantasy science fiction and horror have long recognized the important contributions of thousands of french authors filmmakers and artists the volume is divided into two parts part i gives historical overviews complete lists descriptions and summaries for works in film television radio

animation comic books and graphic novels this section also includes interviews with animation director rene laloux and comic book artist moebius as well as comments from filmmaker luc besson biographies are provided for over 200 important contributors to television and graphic arts part ii covers the major authors and literary trends of french science fiction fantasy and horror from the middle ages to the present day french canadians and belgians are also examined there is a biographical dictionary of over 3 000 authors a section on major french awards and a complete bibliography many illustrations illuminate this thorough presentation

britain and france each produced a powerful but different response to youthful aspirations during the 1960s now authors from both sides of the channel focus on the two countries and the exchanges between them to reveal a new vision of the decade

this text argues that as we survey the effects of modernism environmental destructions the net consumption of irreplaceable natural resources and the ever widening gulf between first and third worlds we are forced to grapple with the consequences of the domination of nature by human beings

dans ce deuxième cahier l enquête sur le dessin se poursuit les questions se multiplient et quelques réponses s ébauchent nous assistons à des combats entre artistes et critiques retrouvons l innocence des réclames d antan examinons un dessin de la renaissance errons dans les rues vides de bourges puis gagnés par la folie douce de la belgique éblouis par les visages de quelques personnes âgées nous repartons pour lascaux avant de gravir les montagnes des grisons du jura et de la laponie le dessin nous perd il nous mène par le bout des yeux où il veut quand il veut comme il veut
